

E-Learning Lesson Plan & Instructions

Teacher	Mrs. Hollowell and Ms. Lee
Date	January 21, 2018
Grade Level & Content Area	Grade 5: Math, Language Arts, Science
Objectives	<p>English: To gain a foundational understanding of who Dr. Martin Luther King was and what he accomplished during his lifetime.</p> <p>Math: TSWBAT</p>
Standards covered	<p>English: 5.RN.3.1 Apply knowledge of text features in multiple print and digital sources to locate information, gain meaning from a text, or solve a problem. 5.RN.2.1 Quote accurately from a text when explaining what a text says explicitly and when drawing inferences from the text. 5.RN.2.2 Determine two or more main ideas of a text and explain how they are supported by key details; summarize the text.</p> <p>Math: 5.M.3: Develop and use formulas for the area of triangles, parallelograms and trapezoids. Solve real-world and other mathematical problems that involve perimeter and area of triangles, parallelograms and trapezoids, using appropriate units for measures.</p> <p>5.M.4: Find the volume of a right rectangular prism with whole-number side lengths by packing it with unit cubes, and show that the volume is the same as would be found by multiplying the edge lengths or multiplying the height by the area of the base.</p> <p>5.M.5: Apply the formulas $V = l \times w \times h$ and $V = B \times h$ for right rectangular prisms to find volumes of right rectangular prisms with whole-number edge lengths to solve real-world problems and other mathematical problems.</p>
Materials / websites needed	<p>English: Computer</p> <p>Math: Computer/ Khan Academy</p>
Instructions	<p>English:</p> <ol style="list-style-type: none"> 1. Login to Google Classroom, locate the CommonLit article assignment titled, "Martin Luther King, Jr." and complete. Please email me if you have trouble logging in (jhollowell@sjoa.org). 2. AR time for 15-60 minutes depending on the length other assignments take. <p>Math:</p> <ol style="list-style-type: none"> 1. Login to Khan Academy (https://www.khanacademy.org/) . Make sure the student is logging in with their User Name and password. If you have any trouble logging in, please e-mail me (klee@sjoa.org) 2. Make sure the students check their "Notifications" or go to their assignments page to see their assignments. If for some reason, the student is still having trouble locating these, have them click on the Khan Academy Icon at the top center of the page. <p>Science:</p>

	1. Use your "Animal Report" rubric to work on your project.
Assessment	<p>English: The multiple choice and short-answer questions on CommonLit will be used for assessment and will be taken as a grade. TOMORROW we will watch a brief documentary on MLK and pull together all we have learned.</p> <p>**Grade will be given for both Social Studies and English.</p> <p>Math: The students will have computation exercises which accompany instructional/ remedial video lesson. These exercises are scored and will be taken for a grade. Students can usually retake the exercises until mastery is reached.</p> <p>Science: Students will be graded when project is completed.</p>
